

KATHLEEN A. REAGAN, ESQ.
Quincy, MA

I am a member in good standing, have been so for not less than two years, and renewed my latest membership of 2017 in December of 2016. Further I believe that I would be an asset to the Board given my long history with the board as a previous Director and member, and experience in the field of equine law as an attorney in good standing with the Massachusetts Bar since 1986.
