

**GREGG ROSE**  
**Hingham MA**

I have owned and bred horses in Massachusetts for 18 years I have also served on the board of the MTBA for many years. I feel that it is most important that we both Maintain and expand the breeding Program while creating a new race course in Massachusetts where our horses can run both safely, and productively. All horsemen should work together whenever possible.

I ask for your support, and if elected I promise to do the best I can for all the horsemen. Thank you
